Vision-

Empowering the youth for capacity building, including basic moral values, community development and fair access to poor and socially disadvantaged group of human resource in the light of changing social, economic & cultural developments.

Mission:

To attain curricular and extra – curricular excellence, the spirit of scientific enquiry encouraged, and students and faculty are motivated towards continuous research and learning. To enhance the potential of the students, so that they venture beyond the set curriculum. To believe in recognizing, encouraging and nurturing diverse talents and aptitude of the students. To offer excellent education to all and serve the society by developing future leaders in business, academia and industry with our commitment, dedication and devotion.

To foster the pursuit of excellence and the spirit of healthy competition and prepare the students for the real world by facilitating their participation in competitive, academic, sporting and cultural activities. To instill a sense of environmental responsibility among the learners and facilitate the adoption of sustainable development perspectives and action as a way of life. To be conscious

of the social responsibilities towards the rural and semi urban communities in the neighborhood.

Objectives:

To promote equality of education, irrespective of social class, gender, religion and caste. To transform responsible citizens, to inculcate moral values and to better the society. Promote research, innovation and entrepreneurship. Provide continuous learning and skill enhancement opportunities to faculty members. To ensure effective implementation of the curriculum through latest teaching learning practices. To impart necessary skills and competencies required for better employability of the students. To provide liberal and free environment 5the qualities of leadership, creative thinking and problem solving mindset in the students. Creation of sensitized citizens.
